So this is Our Story...

It all began in August 1981 at 140 Park St., when Scarpellino's Sub Shop first opened its doors. After nine great years in this location, the building was sold and we had to move. After extensive renovations to the former Weinstein Shoe Store at 204 College St. Scarpellino's re-opened in February of 1990. The next 17 years were awesome, but

that building was sold, and on May 3, 2007 we were forced to close our doors for good. The four years that followed were the worst years of my life. We moved to Florida, and I was no longer doing what I loved. After a few years we decided to move back.

Now! at 257 Forbes Ave. at the corner of Fulton St. in New Haven, we are back in action! Opening on July 18, 2011. Along with my beautiful wife Luann, we will be serving all the great food you remember over the past 27 years *at the new...*

SCARPELLINO'S RESTAURANT & CATERING

Stop by Mon. - Fri. 5:30 am-3:00 pm (Closed Saturday & Sunday). Our new location is bigger and better; enjoy our dining room with all my favorite Sinatra memorabilia and of course, Sinatra music playing all day long. Finally, our dream has become a reality.

Remember that we do cater, so if you have an event of any size or just need a couple of trays, give us a call!

We would like to extend a special thanks to Beverly Bradshaw Carbonella, Cal Grazioso and Joey Mortali for making it all possible.

Live, Laugh, Love and Eat!

Danny & Luann Scarpellino

We Deliver, Here's How It Works

- Delivery is FREE within a 5 mile radius, you may of course tip the driver.
- \$35.00 minimum order a must!
- Call ahead to reserve a delivery time slot. Then call the actual order in by 10am and no later than 11:15am for a 12-12:30pm delivery. *In other words... the earlier the better!*
- Any person who puts an order together for delivery of \$50.00 or more will receive a \$5.00 credit off the total bill. We understand the headache of taking your group's order and collecting the money. This is our *Incentive* to you and our way of saying Thank You.
- Delivery must be picked up at the car, or the front door as parking in most places is nearly impossible. Catering is the exception.
- Debit or credit card payments must be transacted upon ordering. When paying by cash, let us know if you will need change.
- Totals will be given upon ordering and an item count of the complete order will be confirmed to avoid missing items.

We hope that you will find our delivery system to be convenient and efficient in every way. We are always happy to hear your comments, good or bad, so that corrective action can be taken.

Thank you,
Danny & Luann Scarpellino
